

# TOWING & RECOVERY

When your job is coming to the rescue, you want to make sure you are covered for the associated risks.

Whether you operate a wheel-lift, hook and chain, boom, integrated or flatbed truck Insight Insurance + Risk Management has the expertise to insure you for the right coverage and right price for you.

## WE PROVIDE INSURANCE FOR:

- Auto salvage and auction haulers
- Auto club contractors
- Roadside service providers
- Auto mechanical repair

## About Insight Insurance

Insight specializes in commercial and group insurance with extensive experience in large-scale industrial applications. We work with world class insurance underwriters, and our partnerships with them mean we can provide the best value and best protection. Our expert team is intelligent, vibrant, and fun. This attitude balanced with customer focus, reliability, trustworthiness, insurance expertise is what sets us apart.

# PROTECTION & SERVICES

The staff at Insight Insurance were pioneers in developing the first insurance towing program in Alberta. This program, which is still used by many today, has lost its appeal and cost advantage. Poor risks combined with bad risk management have resulted in well managed towing operators paying higher premiums. Insight Insurance have the solution. Through our partnership with RSA Insurance we have brought back to you an exclusive program for the elite in the towing industry.

Don't be left at the side of the road with improper and costly insurance. Contact one of our experts at Insight Insurance + Risk Management today. We will make sure you and your load have the right coverage for the best value.

RSA has trained underwriters and adjusters who specialize in the towing industry. RSA understands the risks associated with towing and provides comprehensive insurance policies that include a variety of coverage options that will allow you to build a policy that will adequately meet your needs.
