Dear Alexis,

At Hockey Helps the Homeless (HHTH) we leverage Canada's affinity for hockey to support the country's homeless men, women and children. Over the past 22 years, Hockey Helps the Homeless has grown into the largest funder of homelessness support programs in Canada, holding 15 tournaments across the country every year and raising over \$16M since inception to benefit 45+ homeless support agencies.

We couldn't do what we do without the support of local businesses. Net proceeds raised through the Edmonton Tournament, stay in Edmonton and we maximize our impact by partnering with 2 local homeless organizations - The Mustard Seed and Jasper Place Wellness Centre - that provide Edmonton's homeless of all ages with a place to call home and the supports they need to thrive.

On May 10th, 2019 Hockey Helps the Homeless hosted the 6th Annual Edmonton Tournament and was able to raise \$230,000 for our 2 deserving local beneficiaries! We could not have done it without the support of our generous sponsors like INSIGHT Insurance + Risk Management.

We look forward to following up with you shortly with more information about the programs you're helping to fund for Edmonton's homeless and at-risk population.

Thank you very much to the team at INSIGHT for your continued support. Please know your efforts have truly made a difference in the lives of others.
